

## **Program Outcomes**

### **Critical and Creative Thinker**

PO1: Develop pedagogical approaches that facilitate learning using a wide range of teaching methodologies that are learner-centered, innovative, inclusive and developmentally appropriate for young learners.

PO2: Design and implement tools that employ thinking skills in planning, monitoring, assessing, and reporting learning processes and outcomes.

### **Reflective Lifelong Learner**

PO3: Appraise one's own beliefs and thinking of education in the contexts of philosophy, society, culture and cultural diversity, inclusivity, history, psychology and politics.

PO4: Pursue lifelong learning for personal and professional growth through varied experiential and field-based opportunities.

### **Effective Communicator**

PO5: Effectively communicate orally and in writing using varied forms of media.

PO6: Illustrate collaborative skills by working effectively and independently in multi-disciplinary and multi-cultural teams.

### **Service-driven Citizen**

PO7: Develop and integrate Christian leadership skills by practicing professional and ethical teaching standards sensitive to the changing local, national, and global realities.

PO8: Support and advocate for children's rights, equity, diversity, community, patriotism, environmental concerns and democratic ideals in a global context as well as preserve and promote Filipino historical and cultural heritage.

### **Innovator and Constant Seeker of Improvement**

PO9: Develop innovative curricula, instructional plans, teaching approaches, and resources for diverse early childhood learners.

PO10: Generate ideas with resourcefulness, originality, and insight in the development and utilization of Information communication technology in promoting quality, relevant and sustainable educational practices appropriate to early childhood learners.
